

A Bray General Builder Ltd would like to thank you for your custom, if you could spare a few words of feedback on the work and service you have received it would be greatly appreciated.

Many thanks

Dear Tony

We would like to start with a big thank you for a job well done.

We were very pleased with the scheduled times being kept to and the adaptability of your guys when we changed our minds on a number of things during the job (sometimes at the last minute).

We would also like to thank you for dealing with the building inspector when issues arose that were not covered in the original plans.

Finally we would have no hesitation in recommending yourselves to anyone.
