

A Bray General Builder Ltd would like to thank you for your custom, if you could spare a few words of feedback on the work and service you have received it would be greatly appreciated.

Many thanks

**Tony Bray and his team did a fantastic job creating an extension to our house - it was an extensive project that lasted six months over the winter, and they worked tirelessly throughout. Tony project-managed the job with efficiency and was very approachable and flexible at all times. He listened carefully to what we wanted and interacted well with us. The team weren't afraid to ask us questions and consulted us on any deviations from the plans. Above all, they were honest and friendly, and their advice at every turn was exceptionally good.**

Cheers
