

A Bray General Builder Ltd would like to thank you for your custom, if you could spare a few words of feedback on the work and service you have received it would be greatly appreciated.

Many thanks

A. Bray General Builders Ltd were recommended to us to build a large extension and renovate our property in 2012. Their quotation was competitive and we found them to be honest and straightforward. Unlike other builders we have used over the years, their full workforce turned up, on time, every day for 4 months and were extremely pleasant to have around.

We would certainly recommend them and would use them again.
