

A Bray General Builder Ltd would like to thank you for your custom, if you could spare a few words of feedback on the work and service you have received it would be greatly appreciated.

Many thanks

Tony Bray's firm has consistently and reliably provided our family with a high quality building service over the last 30 years, and we greatly appreciate being able to depend on the firm with confidence.

During that time the firm have maintained our buildings, conducted ground works, apartment refurbishments, roof repairs and structural repairs, implemented remedial preservation work, built a large two storey conservation grade extension, and also completely rebuilt our cottage and garden walls within a conservation area in Falmouth.

The core building team comprises well equipped, experienced, considerate, good natured, helpful, and hardworking masons and carpenters – all of whom are a pleasure to have on site.

Tony and his staff have always been punctual and reliable. They complete their work on schedule, within budget, and with good humour. We continue to recommend Tony's work with confidence.

With sincere thanks,

Shelagh and Howard.
