

A Bray General Builder Ltd would like to thank you for your custom. If you could spare a few words of feedback on the work and service you have received it would be greatly appreciated.

Many thanks

I am delighted to provide feedback regarding some work I have had done at my house.

Tony and his team have completed work on the house since we bought it in 2006. It is a period house and was extremely run down when we bought it. I recommend Tony and his team without hesitation and would go no where else. The most recent job (plastering, new path, new front gate) was all completed to an excellent standard. There was absolutely no mess, the workmanship was superb and was carried out in a friendly and professional way. The work was also extremely fairly priced.

I am a very satisfied customer!
